**House Bill 347
Nursing Homes Generators
By Rep. Gelber**

A #1: Lines 34 – 37 remove and insert:

Pasco County, Broward County, Miami-Dade County, Escambia County, Okaloosa County, Palm Beach County, or Santa Rosa County.

Explanation: Original list included: Bay, Collier, Monroe, Walton, Broward, Miami-Dade, Escambia, Okaloosa, Palm Beach and Santa Rosa counties.

The amendment removes Bay, Collier, Monroe and Walton because they are in evacuation zones (the bill requires that nursing homes *not* be in an evacuation zone) and includes Pasco County because it has more nursing homes than Bay.

A #2: Line 69 – remove and insert:

Installation was performed by a certified electrical contractor. The agency shall consider the most cost effective use of state dollars to provide electrical service to nursing homes prior to reimbursement.

Explanation: Encourages the agency to consider lease or purchase electrical generator installations, since lease arrangements may be available and more cost efficient.

**A#3: Line 101 – remove and insert:
Representatives by December 31, 2008.**

Explanation: Provides more time for the AHCA to collect data prior to recommending pilot expansion.

A#4: Line 102 – insert:

This act shall take effect July 1, 2007 only if a specific appropriation to the Agency for Health Care Administration to fund s. 400.0627, F.S., is made in the General Appropriations Act for fiscal year 2007-2008.

Explanation: Provides an effective date subject to appropriation.
